**DECLARATION OF COMMERCIAL SUCCESS**

I, SAM SCHWARTZ, the inventor of the above-identified application, declare as follows:

1. Two products of the present application, "Mineral Herb Spa Body Scrub" and "Psorialeve Skin Calming Cream", consist of varying amounts of Dead Sea mineral salts and oil, cream or lotion, which are combined in phases with glycerine, deionized and emulsifier water. Mineral Herb Spa Body Scrub is used to scrub, exfoliate and moisture the skin, while Psorialeve Skin Calming Cream is used to sooth facial and body tissues from itching and psoriasis. The products are particularly suitable for spas and have afforded me considerable commercial success

Serial No.: 09/220,986

since filing the application December 23, 1998. Customers have told me that these particular mixtures, in accordance with the present invention, are highly advantageous to their desires.

2. Following my filing of the above-identified application, on December 23, 1998, I have sold approximately 25,020 units of Mineral Herb Spa Body Scrub and 36,189 units of Psorialeve Skin Calming Cream, in accordance with my invention. Said units have retail values of about \$500,000 and \$720,000, respectively.

3. Attached is a current brochure showing current advertising for both of the above-described products.

4. I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
